

summer vacation

It was a hot sunny day, to go in the pool. Mum I,m going into the pool. No your not were going out, were are we going mum? it's a surprise okay then I'll go and get changed I'll meet you in the car. When they were in the car, the boys name was Mike, was sitting on the front seat of the car. They drove to a place where a beach was. The beach was called, The printer beach. It had lots of printers on that beach. mike said, Can I play on one of those weird looking printers mum? Mikes mum said, Sure you can Mike. So mike found lots of pieces of paper and copied them. He printed out some other stuff too. He printed, pictures of peoples drawings and a picture of the beach they were on. Then mum said "WHAT DO YOU THINK YOU RE DOING! I SAID YOU COULD BUT NOT ALVIN!" well alvin didn't listen so he printed ten thousand that cost one million so alvin got grounded then a boy called kerry came and said " so its only paper i can print 10 thousand paper in like 10 mins printing is so cool Suddenly mike said "who the hell are you and what are you guy doing here this is my money I worked. Then the principle of the Concert came into the printing room. And was so SUPRISE AND HAPPY but our teacher was crying she thought that he was crying as well then Susie and Tiara said quietly again that hes not crying he was happy And the principle said to our teacher Thank you I will give you 1000 dollers because you broke my printer and I didn't want it because it was broken already and no one was strong inknife to break it so our teacher was happy

story by Susie and Tiara!
