Thursday, 15 May 2008

One morning a man walked into work. Until... he saw 4000 lots of paper. The mans name was called Dylan. Dylan wore a plain old t-shirt, and just Jeans and had black shoes and hair like a black bag. Suddenly... Dylan had a THRUSH of paper on his head ,also Dylan had a HUGE fright. Until a new guy came in called Alex, and he wore the same clothes as Dylan but he had Brown hair like a girls hair. And Dylan said “Hi my name is Dylan what yours Alex replied “My name is Alex”. Dylan just going to the photocopying place. Ok. Then Alex came back. Until... Alex cut his finger and Dylan asked “are you alright” Alex Said “no I’m not”.

It was blood and it went to the floor .

Then the floor went black the blood went and torch a piece of paper and the paper went black like a black coal

Suddenly Alex didn't know what to do. he was so scared he was running to fast trying to get out the door but instead his feet took him to the 4000 piece of paper and the paper fell on him with a thud. The papers covered him but luckily he escaped out of the avalanched papers. Alex stood up there was paper cuts on his face and the blood was dripping into his eyes and when Dylan saw him he ran out of the room frightened and looking for some help.

Alex was yelling for help as well.

Dylan and Alex bumped into each-other

AH yelled all at once. Oh said Alex it only you. “You’ve scared the life out of me:” said Dylan.
