## Maths: think about these they are tricky!

1. Miss Cheeseman had 99 cents. Then she earned 20 times more money. How much did she have in all?
2. Mr. Davis saw 27 girls at the baseball game. He saw 4 times as many boys there. How many boys did he see at the game?

## INTO THE FUTURE

It is the year 2100. You are members of the first Lunar Olympic Committee and you have been given the job of organising the first Olympic Games on the Moon.

- What conditions are the athletes likely to meet?
- List some of the sports which are represented in the 2008 Olympic Games.
- Choose some of these sports and say how they might be adapted for the first Lunar Olympics.

I CAN'T STOP THINKING!!
