

# Homethink week 4

**Online activities: [all links can be found on our school website]**

1. Go to our Madscientist wiki, add to the voicethread and the dictionary and the thoughts pages
2. Go to our blog page and either add a new post or comment on someone elses post
3. Do at least 10 minutes of practice on the World Maths Day page every day – World Maths day is March the 4<sup>th</sup> and there is a chance to win an iPod every day
- 4.

If you forget your passwords or logins for our pages you can email me and ask

**I can't stop thinking!**

## Maths:

Create a PICTOGRAM and a BAR CHART to show this information, remember to include a title, a tally chart and labels, colour etc Then ask the questions below.

*Pets owned by students in Taniwha whanau*

*Goldfish 14                      Dogs 8                      Cats 8*

*Horses 2                      Gerbils 7                      Mice 11*

*Parrot 4                      Budgies 6                      Rabbits 13*

1. How many more students have budgies than horses?
2. How many less students had cats than goldfish?
3. How many students in total have pets that fly?
4. How many students have pets that have four legs?
5. How many students have animals that live in cages?
6. Explain why you think the least amount of people own a horse?

## Thinkers Keys:

### It's Oscars week!

#### *Different Uses Key:*

How many different ways can you use an award statue?

#### *Alphabet Key:*

How many titles of different movies OR movie stars can you think of for each letter of the alphabet?

## Scratch Your HEAD!

See if you can work what phrase or word these QUIZZLES are.
