

# Homethink week 7

**Online activities:** [all links can be found on our school website]

1. Go to our Madscientist wiki, add to the voicethread and the dictionary and the thoughts pages
2. Go to our blog page and either add a new post or comment on someone else's post
3. Check the other school blogs we are following and add some comments

If you forget your passwords or logins for our pages you can email me and ask

I can't  
stop  
thinking!

## Thinking:

*Evaluating -  
Problem Solving*

One of your characters in your reading book has landed on an alien planet. How can you help his/her time machine take off using?

- A drink bottle
- 10 cans of baked beans
- A watch

## **REMINDERS:**

1. **Hats needed every day**
2. **EOTC forms and \$ to teacher by Wednesday**
3. **Book orders**

## Maths:

Practice ONE of your basic facts that you need to every day for at least 10 mins

Joe likes to collect and trade watches. On Friday he had 23 watches in his collection. On Saturday he bought 4 more watches for \$2,00 each. On Sunday, he went to 3 garage sales and bought 2 watches at each sale for \$1.00 each.

How many watches did he have on Sunday after his last purchase?

How much did he spend on watches altogether?

Create a pictogram showing the information for Sat and Sun and imagine what *MIGHT* happen on Monday and Tuesday.

## READ A BOOK

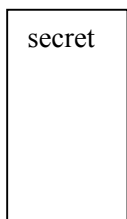

WRITE a character description of the main character!

Remember to include, what they look like, what they do, aspects of their personality, distinguishing features, their goals and intentions, their actions, clothing etc

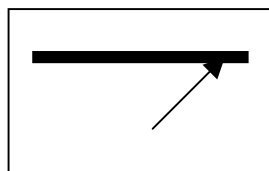

## Scratch Your HEAD!

See if you can work what phrase or word these QUIZZLES are.
