

Homethink Week 3

12	6	9	1	Make as many addition equations as possible using 2 numbers e.g. $9 + 11 = 20$ $19 + 8 = 27$ $23 + 7 = 30$	Challenge – Should you choose to accept it: Take a photograph of something that depicts CELEBRATION and email it to me for the competition
5	20	13	4		
7	10	19	11		
30	23	8	2		

Extra's

Practice one of your basic facts that you need to learn every day - <http://tutpup.com> to practice your maths, spelling and times tables, practice against other people and choose your levels

Go to our blog pages – check out the blogs we follow and leave at least 3 sensible comments for other schools/classes and ours – consider asking a Question so that the author replies

Select 5 words that you need to practice spelling from your written work – go to <http://www.spellingcity.com/>

Reading/English

Read at least 10 mins per day – write a 1-paragraph review of your favourite book over the last few weeks.

Choose an adult from school that you know well [a teacher, a support teacher, a manager] write a 4-paragraph description of that person.

Paragraph 1 – describe the person's main attributes and why you selected them

Paragraph 2 – describe the looks and personality of the person

Paragraph 3 – describe other knowledge you have about the person, their likes, their hobbies etc

Paragraph 4 – summarise about the person

Word Challenge: How many syllables does this word have and what does it mean?

management
