This is an exciting area of learning we are inviting you to take part in. Summerland home-learning is based on the Summerland values and is designed to teach you to be self-motivated and independent with your learning. It gives you opportunities to try new things and learn life-skills you can use in the wider world.

While you are still expected to read nightly at home for enjoyment and to work on learning goals (such as maths basic facts), this sheet will take the place of traditional weekly homework sheets.

The home learning challenges need to be completed carefully – remember it is quality not quantity that counts. It will probably take you all year to complete your set number of challenges! You must provide evidence that you have completed each challenge. You need to fill in a task card (available from your teacher) for each challenge and also be able to show what you have learning from doing it. The way you present your home-learning is up to you – while it's fine to just write about it, there are plenty of other fun ways to present your learning. Here are just a few ideas: presenting a speech, making a poster or booklet, taking photos, or using I.C.T applications to create slideshows, movies etc.

As you finish each challenge you will need to have it checked by your teacher to make sure you have completed it properly. If you need any help with your home-learning, you should ask your parents or teacher but remember – <u>your parents are not allowed to do the challenges for you, no matter how eager they are to take over!</u> Your parents are responsible for supervising your safety while you complete these challenges.

## YEAR 3 HOME LEARNING SUCCESS CRITERIA:

- Over the entire year you must complete a minimum of <u>SEVEN CHALLENGES</u> (eg you could do a couple of challenges per term). <u>Final date for home learning</u> challenges to be completed and handed in for this year is <u>FRIDAY 22</u> NOVEMBER 2019
- You may do more than 7 challenges if you're keen!
- You must complete at least **ONE challenge** from **EACH** of the 5 different sections.
- At least one of your 7 challenges needs to include a component of the Maori culture. These challenges are marked by a double asterisk \*\*
- You must complete a task card for each challenge (these will be stuck into your homework book/folder when the challenge is completed)
- It is up to you to meet with your teacher and show that you have completed each challenge
- You must have some evidence to prove that you have completed each challenge eg. photos, slideshow, speech, poster, report, performance, certificate, trophy etc
- It is quality not quantity that counts so take your time to do each challenge with excellence!
- If you complete all 7 challenges, you will receive a "success" values certificate at the end of the year. If you complete all of the home learning challenges in years 4, 5 and 6 you will receive a pounamu at the end-of-year Celebration of Excellence.
